R.C.A. Building, Radio City
New York 20, N.Y.

Dear Miss Haglund,

We are sorry to hear that you will be unable to visit us on March third. Unfortunately this is the only date available before Spring Vacation. Since there is a great deal of college enthusiasm for radio and radio personnel, we hope that you will be able to speak to us at another time.

I will be in New York from March 24th to April 7th and I would like very much to meet you then. I will get in touch with you, hoping that we will be able to get together.

Congratulations on your new position, WCSR wishes HOME the very best of luck and success.

Sincerely,

Nikki Ernstoff
